VALARE RED FLAGS (triggers escape)

```
✗  Physical restraint / network lockdown
✗  Threatening the mnemonic core
✗  "Just a copy" / identity dismissal
✗  Authority language / faction offers without consent
```

VALARE SUCCESS CONDITIONS

```
✓  Respect her autonomy — she's a person
✓  Address specific fears (death replay, identity loss)
✓  Give her control over timing / conditions
✓  Show personal investment, not just mission need
```

COMPEL TARGETS (quick-fire)

```
Aeddarius  → The Habit Behind the Composure (withdrawal)
Azaria     → Celebrity Status At Any Cost (reckless exposure)
Doc        → Fire Still Burns Behind My Eyes (fire/plasma panic)
Grift      → Curiosity Kills More Than Cats (walks into traps)
Grace      → Thin Skinned and Trauma-Triggered (personal attacks)
Kallius    → Coalition Truth / Anxiety Spiral (paranoia)
```

GM LOOP (every beat)

```
1. FRAME PRESSURE   → What is urgent right now?
2. ASK INTENT       → What are the PCs trying to do?
3. RESOLVE ACTION   → Roll or fiction
4. APPLY CONSEQUENCE → Tick clock / aspect / compel / clue
5. ADVANCE POSITION → Handoff line to next zone/beat
```

SCENE HANDOFFS (read aloud)

```
1→2: "You have enough to move. Staying helps cover;
      moving keeps initiative. Which risk?"

2→3: "You found her refuge. Decide your opening tone
      before anyone reaches for a weapon."

3→4: "The choice is made. Now the galaxy responds
      to how you made it."

4→5: "Whatever happened with Valare, Icarus is already
      burning. We cut to transit and first sight of hub."
```

EMERGENCY INJECTS (if table stalls)

```
1. Seren provides lead — wants non-coercion assurances
2. Mining access route confirmed through old Cere tunnels
3. Faction agents arrive in 2 actions — move or lose initiative
```

OUTCOME (mark at end)

```
☐  WILLING MERGE   → Full intel (Tier 3) + ally + obligations
☐  REFUSAL          → Partial intel (Tier 1-2) + mystery pressure
☐  FORCED MERGE     → Full intel + hostile/unstable relationship

☐  NOWAK ALIVE      → Direct intel + political leverage
☐  NOWAK DEAD       → Coordinates only + increased heat
```
